**Special to the Star.**  
**MEMPHIS, Aug. 4.**—At 1 P. M.—The following new cases were reported to-day: Mrs. Boyd, A. Boyd, Ed. Kopsky and Edy Ward, white; Amanda Ward, colored. Two deaths were reported. The city is quiet. Four hundred and fifty people are now at Camp Marks, one hundred of them colored. Two cases of yellow fever broke out there yesterday.

**TWO NEW CASES AT NEW ORLEANS.**  
**OFFICE BOARD OF HEALTH.**  
**NEW ORLEANS, Aug. 4.**—At 2:35 P. M.—Two mild cases of yellow fever reported today. Seven cases in all to date, and three deaths.  
**[Signed]** S. S. HARRICK, Secretary.

**MEMPHIS THIS MORNING.**  
**National Associated Press to the Star.**  
**MEMPHIS, Aug. 4.**—At 9 A. M.—The opening of another week brings the hope that the fever will be confined to districts already affected, and with the material there exhausted will be out. Yesterday's record, twelve new cases and two deaths, all confined to the old haunts of the plague, give color to this hope. The negroes have issued a manifesto setting forth their reasons for not going into camp, and appealing to the outside world for aid.

**NO FEARS AT NEW ORLEANS.**  
**NEW ORLEANS, Aug. 4.**—With not even a suspicion case newer than last Wednesday, there is strong reason for the hope that the strict sanitary measures have checked the disease. Of course isolated cases may occur, but the medical authorities agree that there will be no epidemic.

**AT NEW YORK.**  
**NEW YORK, Aug. 4.**—There are five yellow fever patients at Swinburne Island, but all are doing well. There are now thirty cases, including five deaths, under the Health Officer's supervision. Fifteen are at the lower quarantine and the remainder are at the upper quarantine.

**DEPART AT SEA.**  
**The brig Athol Crane**, of Halifax, reached this port yesterday from St. Jago, Cuba, which place she left twenty-three days ago. Soon after sailing from St. Jago the yellow fever broke out on board. Wm. M. Lead left July 13th, and three days later Henry DeCosta fell a victim to the fever. The third and last case recovered July 29th, when Wm. Matthews died.

**PORTLAND QUARANTINE.**  
**PORTLAND, Aug. 4.**—A decree has been issued by the Government of Portugal declaring quarantine against New York because of yellow fever. The Gazette declares other Atlantic ports are suspected of the prevalence of yellow fever.

**ONE DEATH AT CINCINNATI.**  
**CINCINNATI, Aug. 4.**—Frank Victory, aged fifty-three, died Saturday at the residence of his son-in-law, J. W. Cunningham, of yellow fever. He arrived from Memphis a week ago last Friday.

**CINCINNATI.**  
**The following dispatch** was received this morning by Dr. Minor:  
**"Twelve new cases** and two deaths since last report."  
**R. W. MITCHELL.**  
**Dr. Minor** received the following communication this morning: "Aug. 4, 1879."

**"Dr. Thomas C. Minor**, Health Officer of St. Louis, Mo., writes, 'We, the undersigned, residents of North Bend, hereby earnestly protest against the location of the Quarantine Station at North Bend or within two miles of its corporate limits.' Respectfully,  
**"R. H. STONE,"**  
**"EDWARD WOODRUFF, JR."**

**Dr. Minor** this morning issued the following which slightly modifies the rules and regulations in regard to freight from the South:  
**To Shippers and Transportation Companies:**  
**New feathers, old metal, cotton, sugar, molasses, roots, herbs and hides** are allowed to enter the Port of Cincinnati, providing the same are accompanied by the proper certificates and come from non-infected ports. The shipment of eggs, paper stocks and household goods from points South is absolutely forbidden.

**A two-year-old child of Milton Oehlert**, at Greenwood, Indiana, was choked to death by a bean.

**Quarantine is imposed at Rome** on vessels from the United States because of the yellow fever.

**James Farr**, aged seventy-three years, a saloon-keeper of Columbus, was found dead by his bedside.

**In a fight between a white man, a negro and an Indian** at Muskogee, L. T. all were killed by the negro.

**The saw mill and a quantity of lumber of R. N. Parrett**, situated at Patoka, Indiana, were burned Friday night.

**Miss Alice Ketchum**, of Richmond City, was drowned by the capsizing of a sailing craft on Wisconsin River.

**Ed. Kilday**, colored, was shot by an unknown assassin while walking through his cornfield, near Richmond, Texas.

**Four desperadoes in daylight** robbed the Post-office at Coveyville, Kansas, and killed Mr. Fitzpatrick, who resisted.

**John L. O'Hearne**, a prominent saloonist of Cincinnati, Ky., fell from a second story window while asleep and was killed.

**Gov. Phelps**, of Missouri, has commuted the death sentence of Joseph Degonia to imprisonment in the State Penitentiary.

**August Doquet**, a street-car driver of Ft. Wayne, Ind., produced a profound sensation by committing suicide while driving his car.

### CIRCLE OF CITIES.

**CHICAGO.**  
**TWO TO-DAY ATTRIBUTED TO STRIKERS.**  
**Special to the Star.**  
**CHICAGO, Aug. 4.**—The woolen mill of John Reese was badly injured by fire this morning. The engine was seriously damaged some weeks ago, it is supposed by discontended strikers, and the proprietor attributes the fire to the same cause.

**INDIANAPOLIS.**  
**THROWN FROM A HORSE—DELA MATYR—CHIEF SCARPER DEFEAT FOR MARSHES, ETC.**  
**Special to the Star.**  
**INDIANAPOLIS, Aug. 4.**—Luke Hoffman's little son was thrown from a horse and fatally injured last evening.  
**Chief Scarper** defeated for Marshes, etc.

**HOPKINSVILLE, KY., Aug. 4.**—A pistol fight occurred here Saturday night between E. L. Goullet, ex-Marshall of the county, and N. G. Hopkins, son of J. M. Hopkins, a lively stable man. Hopkins was shot in the abdomen, on the right side, and died in a few hours after he was shot. Goullet was shot just above the breastbone, and the ball was taken out at the point of the shoulder.

**PANAMA, KY., Aug. 4.**—Mr. Charles Boehman, who fell from the second story window of a building here last week, it is reported, died yesterday.

**SEEING THE CIRCUS.**

**Some High Old Fun at a Hoosier Village.**

**Special to the Star.**  
**BROOKLYN, IND., Aug. 4.**—While a circus was performing at Leesville, this county, on Saturday, some sharpers who accompany the show, failing in their attempts to swindle a resident with cards, snatched his money and hid in one of the tents. Soon afterward one of the women equestrians, it is alleged, stole a watch from a man's pocket as he passed through the crowd.

**The robber** men fired into the tents with their revolvers. The showmen retaliated by seizing three villagers, dragging them into a tent, and whipping them soundly with whips. This increased the crowd, and a general fight ensued, in which four showmen and one villager were wounded with bullets.

**Electric Currents.**  
**Houlton, Miss., loses \$25,000 by fire.**  
**The M. E. Church** was burned at Nashua, N. H.

**S. V. R. Sherwood, P. M., at Brainard, Minn., is about \$3,000.**  
**The Lafayette, Ind., Court-house** was damaged \$1,000 by fire.

**Elizabeth Caroline Swing**, wife of Prof. Swing, died at Oxford, Ohio.

**At Bradford, Pa., a fire destroyed** Hall & Davidson's planing mill and tank shop.

**Miss Alice Ketchum**, of Richmond City, was drowned by the capsizing of a sailing craft on Wisconsin River.

### INCENDIARY FIRE.

**A West Virginia Town Almost Annihilated.**

**Special to the Star.**  
**PARKERSBURG, W. VA., Aug. 4.**—A destructive fire broke out at Volcano, a town at the northern terminus of the Laurel Fork and Sand Hill Railroad, twenty miles from this city, to-day. The railroad depot, the hotels, stores and several dwelling houses were burned to the ground before the flames were subdued. Almost the entire business portion of the town was destroyed, and there is much suffering and excitement among the citizens. The fire was undoubtedly the result of incendiarism.

**DWELLING BURNED IN DELAWARE.**  
**WILMINGTON, DEL., Aug. 4.**—A fire caused by an incendiary burned down three large dwelling houses early this morning at Kiddle's Bank, which were owned by L. F. Riddle. Loss about \$3,000, partly insured.

**SHERMAN SAYS SO.**  
**That Ewing Would Play Second Fiddle to Tilden or Thurman.**

**National Associated Press to the Star.**  
**NEW YORK, Aug. 4.**—Secretary Sherman expects to speak in Ohio the last of August and make finance the text of his addresses. A reporter asked him today: "If Ewing succeeds will it not affect the Presidential canvass?"

**Sherman—"He won't succeed."**  
**Reporter—"If?"**  
**Sherman—"Well, if even then he would play second fiddle to Tilden or Thurman, with possibly his choice between the two, and as far Tilden, whose friends complain of the Electoral Commission, why should he complain? The Commission was clearly a Tilden progeny."**

**HOW PATTERSON PLAYED.**  
**The Sinful Schemes of a Senator's Son.**

**National Associated Press to the Star.**  
**CHICAGO, July 4.**—The Times to-day says a sensation has been created at the Government headquarters here by Silas M. Patterson, son of Ex-Senator John J. Patterson, of South Carolina, who arrived some weeks ago on his return from California.

**He put up in grand style** at the Palmer House, introduced himself at the Custom-house, with personal letters from John Sherman, Charles Devens, S. J. Randall, D. M. Key, John R. Hawley and others well known in Washington. These introductions placed him in the good graces of Wm. Henry Smith, Collector Harvey and all the Government people.

**He was taken by the hand**, smiled upon, wine, dined and toasted at the Grant in Chicago. All went merrily until one day he appeared at the Custom-house and explained to Wm. Henry Smith that he had lost \$1,500 betting on the wrong horse and was dead broke. He expected a draft from Sec. Sherman, who loaned him \$4,000 on the same day.

**He secured a warrant for Patterson's arrest.**  
**The latter wanted the diamonds back** to save himself from disgrace. Patterson, it is said, has been humiliated from the Palmer, owing a large bill. Knight is said to be connected with a gang of thieves, and Patterson is suspected of being concerned with him in a confidence game to rob Government employees.

**Patents.**  
**Office of the United States Patent Attorney, Apollo Building, Cincinnati, O.**  
**The number of patents** issued to the State of Ohio for the year 1878 were one thousand and seventy, this placing her third in rank, with the prospect of being second in the field of inventiveness.

**J. A. HIRSHL.**  
**S. S. Patent Attorney.**

**A boy named Snellbaker**, employed at Bennett's bakery, on Court street, received a severe cut on the nose to-day, some tinware falling upon him. He was taken to his home, 117 Gest street.

**The Cincinnati Journal of Commerce** this week enters upon its sixteenth volume. It is a handsome commercial paper of eight pages.

**Gen. J. Meredith Read** has arrived at Paris, after presenting his letters of recall from Athens.

**Jas. Hancock** fell from the fire runs at Hamilton, Ont., and was killed.

**Clara Louise Kellogg** is said to have taken a year's supply of Magnolia Balm abroad with her. Unnecessary for it is sold everywhere.

**Our druggists keep for sale** Hall's Vegetable Sicilian Hair Restorer, the best preparation ever made for restoring the vitality and color of the hair.

ally falling from the window of room No. 81 in Hunt's Hotel, was the verdict of the Coroner.

**OUR BUSY MEN**

**Here and There Among the Cincinnati Bivies of Industry.**

**Charlie Orton** is working at J. A. Fay & Co's.

**Mr. James Clark** is now employed at the Sault Carriage Works near the C. & H. D. depot.

**Mr. James Foster** has embarked in the printing press and stannip business on West Second street.

**Mr. Wm. Carson** is over seventy years of age, and is still following his daily pursuit of lumber measuring.

**Mr. George Gray**, formerly of the Niles Tool-works, has launched into the general machinery business.

**Mr. Dan Thomas**, our genial politician and mutual friend, has resumed work on the floor. A red-hot job this warm weather.

**Mr. Pat. Barry**, formerly employed at the Globe Rolling Mills Works, has enlisted in the regular army, and is now on the frontier.

**Mr. Harry J. Ashton**, having left the Post-office, is about to be sent sailing and contented in his old place in the City Auditor's Office.

**Mr. Peter, of the Miller & Peters cigar mold firm**, will return to the city this evening from New York City, and upon his arrival assume charge of the factory here.

**If Johnny McManus "slaps"** his course through life as well as he slaps his work on the "shaper," he will certainly be a well "shaped" man, both morally and physically.

**Messrs. L. & E. Greenwald** are in receipt of an order for four mill that is to be supplied with a tank of seven stories, the largest mill they ever made. It goes to West Virginia.

**Mr. John Searson**, for many years a resident of this city, and in the clothing business, has returned to England, his native country, with the intention of permanently remaining there.

**Mr. Richard Nugent** will exhibit at the Exposition his recently patented boiler flanging machine. This is one of the most valuable machines ever invented, and will be inspected with much interest by all mechanics who notice it.

**Mr. John Doherty**, the able and efficient foreman of the Hymmer Manufacturing Company's foundry, has had charge of that department for over twenty years. Jack, as he is familiarly called, is a No. 1 mechanic, and a general favorite among the workmen and employers.

**L. M. Dayton**, proprietor of the American Bolt Works, of Covington, Ky., recently purchased three cut-off engines for his establishment from a firm in Milwaukee, Wis. It is greatly to the discredit of Cincinnati that she should allow large firms of this kind to establish their plants in other cities at a distance to purchase such valuable machinery.

**THIS MORNING'S FIRE.**  
**Amounts of the Loss and Insurance.**  
**The loss and insurance sustained** by this morning's fire in Mannerchall Hall is as follows:

**M. & R. Burghelm**, insurance on stock: \$4,000 in the Royal; of Liverpool; \$4,000 in the Fire Association, of Philadelphia; \$4,000 in the Enterprise, and \$1,000 in the Amazon. Their loss is estimated at from \$4,000 to \$5,000.

**The loss on the Mannerchall building** will not exceed \$7,500.

**The Mannerchall library** sustained a loss of \$1,500. The piano of the association was slightly damaged. The banner, valued at \$100, was totally destroyed.

**The insurance** will make good the loss. The loss on the Mannerchall Hall burned, the first time in 1843, the next in 1860, and only the four bare walls remained standing, and the third time in 1868.

**On the way to the lockup**, Scott suddenly turned on the officer and struck at him. McNicholas dodged the blow and drew his slungshot. A rough and tumble ensued, and Scott succeeded in getting the weapon away from the officer.

**He started to go away**, but turned around and came at the officer, saying: "I'll give it to you anyhow, — you!" McNicholas pulled his revolver, a large 38 caliber, and fired. The bullet struck him in the groin and he fell. The wound is an ugly one, and will probably be the cause of his death. The officer assisted in carrying him to the house of his father, on Deloit Pike, where a physician was called to relieve his sufferings. Scott is said to be a dangerous man, and goes by the name of "Bill Davis."
